

BRIDGES SUBMISSION GUIDELINES

Bridges Magazine, the ISSSEEM publication, is published primarily as a professional resource for practitioners and other individuals who are interested in the study of informational systems and energies that interact with human psyche and physiology, either enhancing or perturbing healthy homeostasis.. The Magazine is published 3 times a year and includes theoretical or informational papers, short research articles, case studies, reports, book reviews, and interviews with leading figures in the study or uses of subtle energies or energy medicine

Readers are encouraged to submit manuscripts to be considered for publication. Articles should be related to subtle energies and or/energy medicine and may range between 500 and 2500 words.

All manuscripts must be submitted electronically as a MS-Word document, plain text or pdf file. Graphics and photos in jpg format.
